INTRODUCTION

THE PROBLEM WE SAW

Children have talents, but most never discover them early — and parents lack clear guidance.

THE CHILD'S JOURNEY

Small daily actions → shape skills → build the future self.

WHY WE STARTED MAWHIBA+

To help every child understand their unique talent through simple, fun, creative tools.

WHAT WE'RE HERE TO CHANGE

We turn talent-discovery into a visual, inspiring, child-friendly experience through smart design and a strong brand identity.

WHO WE ARE?

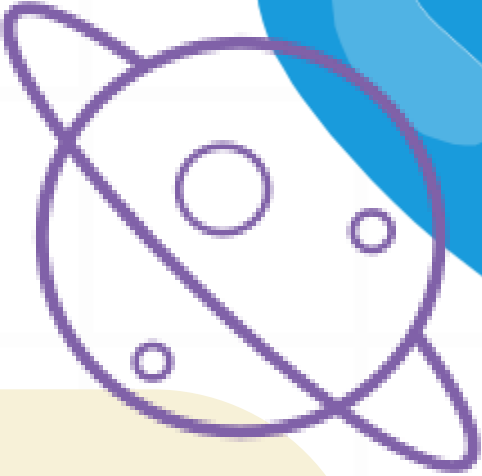

Mawhiba+ is an educational academy and smart digital platform designed to help children aged 5-10 discover their true talents early.

We support children through:

- **Clear guidance to understand their abilities**
- **A personal digital talent profile that grows with them**
- **Specialized trainers across multiple talent domains**

OUR MISSION IS SIMPLE:

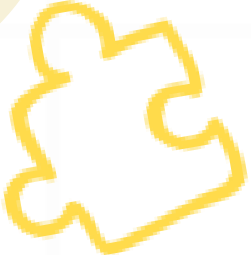

HELP EVERY CHILD FIND THEIR TALENT, NURTURE IT, AND STEP INTO THEIR FUTURE WITH CONFIDENCE.

OUR VISION

To empower every child to know their true potential from an early age.

We aim to create a learning environment that inspires discovery, tracks progress, and nurtures creativity shaping a confident, talented generation.
